

# Licence to Perform Rigging – Intermediate Level

## Code

0417RIG2

## Type

Accredited Course

## Study Mode

On Campus

On Site

## Duration

5 Sessions

## Location

Yallourn

## Course overview

Build upon your existing skills as a rigger with this intermediate level license. Once you've completed your basic rigging license, this course will allow you to take on more complex jobs. It is mandatory to have your rigging license in Victoria when you are working as a rigger on any worksite, so give yourself the best chance of success with this fast and interesting qualification.

On top of basic rigging duties, you'll learn about rigging cranes, conveyors, dredges and excavators. Master the rigging work associated with tilt slabs, demolitions and dual lifts for licensing purposes. This qualification will make you more attractive to potential employers because you will know the safest and most efficient rigging methods.

*A licence to perform High Risk Work is issued by WorkSafe Victoria. On successful completion of this course, you can apply to WorkSafe Victoria for a license to perform high risk work. There is a fee payable to WorkSafe for a High Risk Licence. For WorkSafe fees, please visit: [www.worksafe.vic.gov.au/high-risk-work-licence](http://www.worksafe.vic.gov.au/high-risk-work-licence)*

## Career opportunities

- Scaffolder

## Material and Equipment Supplied by Students

The Work Safety Centre is classified as a 'Construction Zone' so the student must wear appropriate safety PPE at all times. As a minimum high visibility clothing (shirt or vest) and steel cap safety boots must be worn at all times. In addition please ensure you bring a safety helmet and safety glasses for high risk tasks.

Students are required to arrive 15 minutes prior to commencement of training and also bring the following to meet WorkSafe Victoria licensing requirements:

- Victorian Drivers Licence or proof of ID card
- Passport or proof of Victorian Residence (Utilities bill or bank statement)
- Rigging Basic (RB)
